

# Gideon Lenge

## Junior Software Developer

City of Johannesburg, Gauteng | [gideonlenge96@gmail.com](mailto:gideonlenge96@gmail.com) | (+27)815 892 060

## Summary

---

I'm a dedicated and detail-oriented junior software developer with a creative approach to problem-solving, always seeking new and visually appealing ways to address technical challenges. With a foundation in both front-end and back-end development, particularly in JavaScript and Python, I enjoy crafting efficient, scalable applications that prioritize user experience. Known for my creativity, I thrive in collaborative environments where I can contribute unique solutions that enhance functionality and design.

## Skills

---

HTML  
TypeScript
