Gideon Lenge

Aspiring Software Developer | Graphic Designer | A 2nd year student at WeThinkCode.

City of Johannesburg, Gauteng| [Email](#) | 0815892060

Summary

I'm a dedicated and detail-oriented junior software developer with a creative approach to problem-solving, always seeking new and visually appealing ways to address technical challenges. With a foundation in both front-end and back-end development, particularly in JavaScript and Python, I enjoy crafting efficient, scalable applications that prioritize user experience. Known for my creativity, I thrive in collaborative environments where I can contribute unique solutions that enhance functionality and design.

Experience

- Freelance Graphic Designer **Jan 2022 - Oct 2023 (1 year 10 months)**
Johannesburg, Gauteng

Create Custom Visual Content: Design logos, marketing materials, and digital assets tailored to each client's brand and objectives. Collaborate and Communicate with Clients: Gather client feedback, make revisions, and ensure the final design aligns with the client's vision and goals.

Voluntary work

- Career Break **Nov 2022 - Sep 2023 (11 months)**
Johannesburg, Gauteng

Digital Literacy Coach for Seniors.

Provide Tailored Tech Lessons: Teach basic computer skills, internet use, and email at each senior's pace.

Boost Digital Confidence: Help seniors use devices independently and troubleshoot issues.

Ensure Online Safety: Educate on avoiding scams, protecting personal info, and managing privacy settings.

- Career Break **Feb 2021 - Dec 2021 (11 months)**
Johannesburg, Gauteng

Teach Fundamental Techniques: Introduce kids to basic drawing, painting, and color theory to build a strong artistic foundation.

Encourage Creative Expression: Foster a supportive environment where kids can explore their imagination and develop their unique artistic style.
